

20/20 Home Inspection of NJ is proud to be a **GREEN** Company serving our environment

Here is the work we have completed to reduce our environmental **footprint** within our business practices:

- 100% Recycled paper
- Recycled printer cartridges
- Offer customer discounts who agree to go paperless
- Fuel efficient cars for our entire fleet vehicles
- Online bill pay
- low flow restrooms in our offices for decreased water consumption
- Energy-saving lighting
- Donating our old tools and equipment to Habitat for Humanity
- Recycling our old cell phones, computers, printers, fax machines
- Ensure office furniture is made from wood that originates from sustainably harvested forests or that have certifications on wood products from the Forestry Stewardship Council and the Rainforest Alliance.

For more energy-saving tips please visit us online at www.the2020homeinspector.com
